

AGS Certified Judge Application

Date & Time: _____

Place: _____

Thank you for showing interest in the American Gourd Society's standardized judging.

This seminar will familiarize you with the AGS Judging Guidelines, provide hands-on judging, and provide guidance in using AGS standardized criteria. You will be qualified as a Certified Judge at the completion of this class, will receive credentials, and will have your name added to the AGS website list of Certified Judges qualified to judge AGS-sanctioned gourd competitions.

There is no charge for the instruction itself, but your non-refundable tuition fee will help purchase and mail your personalized official nametag and help with the cost of class materials. Your nametag will be created in advance of the class (if your application reaches us in time). If, for some reason, you are unable to attend or finish the class, we will give you free tuition to any future session and hold your nametag/materials until that time.
